

The “Greenies” are doing it again! Plan to attend the 31st reunion of the Roscoe Group

Mailing Date

The Traditional. This year’s reunion will, be held June 15-17, 2010, following Alfred’s alumni weekend. It will be held in the Poconos, feature many opportunities to renew friendships through cocktail hours, dinners, golf and other activities including the traditional glee club concert.

The New. Following increased complaints about our previous venue and continuing difficulties with their new management and arrangements, we have decided on an alternative site for this year’s event. It is Skytop Lodge (www.skytop.com) in Skytop, PA - about 20 miles from the Pocono Manor. Prior to selecting it, we conducted overnight visits by the Porters, Riegels, Waughs, Boultons, Sclafanis and Steins, all of whom enthusiastically endorsed its selection. It is a classic charming Pocono hotel on a much more scenic venue. Skytop has really worked to keep its corporate and group customers. From the fundamentals of lodging, food, and facilities to the venue, it is a big step up. It has an onsite golf course, lake for boating, stream and lake for trout fishing, hiking trails, tennis, an indoor pool, spa treatments and delightful public rooms for our various activities.

Our part. This year’s organizing team, Bruce Boulton and Kent Riegel, the 2010 reunion co-chairs, Joe Stein, the group chairman and Erf Porter and Jim Sclafani have negotiated the rates, timing, facilities and terms with the hotel to give us the flexibility and quality event that we want to provide to you. You will see that the price for is slighter higher than last year’s , but it is all inclusive and the reunion team unanimously agree Skytop provides a much better value. We are very confident you will agree this is a significant step up.

Your part. Please plan to attend this year’s reunion. Review the attached registration information and forms and complete them by the deadline of March 1, 2010. Also, please encourage your classmates to join you and help make this event even more memorable..

Our hope for the new year: We hope that all of you who have attended these reunions over the past 30 years will continue to look forward to this delightful experience and that you will bring not only your spouse or significant other but also assure at least one new attendee attend

We look forward to see you and sharing a great kickoff to a new decade!
