

Lambda Chi Alpha "Roscoe" Reunion Group
Class Years 1948 to 1962

To: Brothers, Spouses and Affiliates,

05 Jan 2007

The originators of the "Roscoe" group were the Bryants, Fosters, Steilins, and the Spragues. MaryLou served as hostess to the first gathering at the Sprague house in Roscoe NY, over 27 years ago, with some of those in attendance staying at the Huff House, a local "Inn".

Paul Messner took up the challenge, admirably served as Chairman and organized the last two reunions. As most of you now know, Paul passed away in November of 2006 leaving a void in the brotherhood and loss of leadership and management for future reunions.

In a first initiative, we want to involve more of the brothers from a wide range of classes in planning and carrying out the reunions. We feel it will be helpful to establish some structure to provide continuity and serve as a model for the management of future reunions.

Hosts and Co-Hosts, volunteers all, are as follows:

Table with 4 columns: Year, Host, Co-Host, and a corresponding year or status. Rows include Dale Smith '56, Erf Porter '57, Sam Iorio '59, and Kent Riegel '61.

In addition to the above, we recognize various other functions are needed to support reunions. Brothers and spouses that have agreed to fill these functions, along with the class coordinators and list of a core group of advisors are listed on page 2.
