1,000 Brothers in Lambda Chi Alpha

On Sunday, April 11, 1976, thirty seven years after Kappa Sigma Zeta became an active chapter of Lambda Chi Alpha, the one-thousandth brother was initiated. It was essentially the same ceremony that took place four decades ago.

The advancements of Kappa Sigma Zeta, as both an active fraternity on Alfred's campus and an active chapter in the international fraternity, are impressive, one high point being the presentation of the Grand High Alpha award in 1974. As we look back on our accomplishments over the years, we can be proud to be associated with such a distinguished chapter.

A total of eighteen new brothers were brought into our brotherhood bond. Their names are: John Ford, Jim Jackson, Paul Weinberg, Ricky Alexander, Roger Brex, Scott Broda, Craig Cameron, Mike Everett, Richard Feinberg, Curt Fischer, Bill Fox, Dan Haims, Geoffrey Hartman, John Hodgkins, Bradley Kogan, Ed McGlone III, Robert Pulos and Peter Sanfilippo, bring our active brotherhood enrollment to eighty-five brothers and total brothers initiated to one thousand and nine. Even as we look back on such a proud heritage, we must also look to the future because what makes a chapter outstanding but the dedication and initiative of the brotherhood itself.

Lawrence Singer

Eighteen and a few more

House Elections Held

Last December the brothers of Lambda Chi held their annual elections. The elections this year presented the brothers with an array of different and well qualified candidates for the many positions. The elections as usual took quite a long time with the final votes not coming until the early morning hours.

The position of High Alpha

(president) went to Terry Hogan, a junior from Stow, N.Y. Terry, a member of most house intramural teams, was formerly house manager.

The office of vice president (High Beta) went to the incumbent Rahul Agarwal, a junior and our resident Indian. Rahul was elected on a platform of improving the fine job he has previously done.

Michael Alexander, another junior who is from Victor, N.Y., was elected as High Tau (treasurer). Alex was carried into office by a landslide vote.

Elected as secretary (High Gamma) was Marc Eisenbaum from Oceanside, N.Y. Marc, a ceramic engineer, is destined for medical school, and formerly served as High Rho.

Reserving a Room for Homecoming???

This year the house has reserved in advance the entire Squirrel's Nest Motel in Alfred and rooms elsewhere. We are now accepting reservations. They can be for either one or both nights, Friday, October 15 and Saturday, October 16. A deposit of \$10 must accompany requests. Please make checks payable to Lambda Chi Alpha.

Refunds will be made if your cancellation is received in time to fill the motel. The last possible date to mail in your reservation is October 7. Please mail all requests to:

Alumnus Contributes \$5,000.00 in Matching Gift Challenge

Dear Brothers and Alumni:

We are pleased to announced that a distinguished alumnus of Kappa Sigma has agreed to contribute a gift of FIVE THOUSAND DOLLARS if the active brothers and alumni can match the gift. The money will go towards surfacing the driveway. At this time he wishes to remain anonymous.

This is really a generous offer and a great challenge to the active chapter and

all alumni. Please help us meet that goal of \$5,000.00 by sending a gift in any dollar amount. Any gift from \$1.00 and higher will put us closer to the goal fo \$5,000.00; with a concerted effort on everyone's part we will be successful. Please send your check in any amount to: President, Lambda Chi Alpha, Alfred, N.Y. 14802.

Thank you.

House Elections

Continued from Page 1

The position of social chairman went to Bob Seifert from Hicksville, N.Y. Bob has lived up to his reputation by throwing a number of wild mixers and band parties.

The office of High Delta (rush) went to Bob Postiglione, a sophomore business major. Bob conducted a successful rush program this semester.

Jeff Hartford, a junion Environmental Studies major, was elected as High Kappa (pledge trainer). Jeff ably educated the associate members into the accustomed ways of Lambda Chi.

Irwin Kotcher of Valley Stream, N.Y., a junior business major, was elected to High Phi. Kotch did a fine job during the recent weeks of pledging.

Larry Leff of Livingston, N.J., a junior business major, was elected as High Rho. Larry has worked hard in this office as he has in the office of High Pop.

Reggie Gaulle of Queens, N.Y. was elected as High Sigma; a ceramics and math major. Reggie was elected because of high academic performance in school.

Mitch Bernstein, a junior, also from Livingston, N.J., was elected as sports chairman.

Evan Goldstein was elected as fire marshall.

The office of house manager went to two brothers. Chris Small (house) and Peder Wennberg (manager) were formerly High Tau and High Kappa respectively.

St. Pat's Weekend

The winner for the fifth consecutive time

St. Pat's weekend is one of the large events of the school year here at Alfred. Preparation for the weekend starts long in advance. A tradional parade is part of the activities with the fraternities and sororities entering floats. Lambda Chi won the float competition this year for the fifth consecutive time. The parade took place at the usual time Friday afternoon. The theme this year was St. Pat goes Bicentennial. Friday night the house had a casual dress mixer for brothers, associates and guests.

Saturday morning there was a bloody mary breakfast. In the afternoon there was a road rally with no casualties. The party Saturday night was intended to be semi-formal but because of a mix-up, the band never showed up. Just the same, everyone who came had a good time with the few alumni that came.

Craig Cameron

Rush Recommendations Needed

Do you know any boys who will be entering Alfred University this fall? If you think he is Lambda Chi material, please drop us a line and we'll contact him. Recommendations from alumni are very helpful during rush when there are so many boys who come through rush.

Your recommendations allow us to concentrate on the better men both during the summer and the fall. Please address all recommendations to our rush chairman, Robert Postiglione, 48 Carteret St., West Orange, New Jersey 20752.

Lambda Chi Sports Report

The year from an athletic point of view has been an exceptional one except for a few scheduling errors which occurred during the basketball season. But they were quickly forgotten, right?

For the first time since 1968 our football team got into the finals and defeated an independent team for the first place trophy. The team was undefeated during the regular season and defeated its two opponents in the playoffs to capture the win. The key to the success of the team was the defense. While holding opposing teams to an average of 6-7 points a game, the offensive unit averaged 17 point per game. The tough defense was led by safeties Steve Rabe and Licio Pennisi, linebacker brother combination of Jeff and Kevin Brundage and the quick hands of rushing team of Bob Tornambe and Chuck Cohen. The offensive team which executed beautiful option plays were led by QB Mike Alexander, running backs Frankie "Chief" Williams and Robbo Breakell, center Terry Hogan and ends Jeff Hartford and Howie "the kid" Lockhart. Pete Moore filled in at important times and helped the team immensely.

The basketball season was not as victorious a season as football. We did not take first place but the "A" team did manage a very commendable fourth place by gaining entry into the semifinals. They were eliminated by the eventual champions, an independent team. Consistent play was given by Terry Hogan, Mike Alexander, Curt Dann, Mitch Cohen, Frankie Williams, Bob Tornambe, Irwin Kotcher, Peder Wennberg and Marc Schneckenberger. The "C" team also fared well and got into the playoffs with most of the wins

coming on forfeits. But the team did not do well in the playoffs and lost to much taller teams and fell to defeat in the first two games in the eliminations. Team members included Steve Rabe, Jim O'Keefe, Bill Kilpatrick, Mitch Orenstein, Jon Schere, Mitch Bernstein, Jay Byrne, Chuck Cohen and Jeff Hartford.

In other sporting events we had some problems in participation but despite this handicap we did manage to take third place in swimming, thanks to Andy Hoffman, Pete Torri, Bob Pulos and Geoff Hartman. Lack of participation also hurt us in wrestling but again we took third place, thanks to Jeff Gordon's first place finish.

The bowling team has maintained its second place position most of the season and is ready to forge into first place and take its second first place trophy in a row. Bowling for the team this year are: Jeff Brundage, Dave Stanton, Gary Blanco, Mitch Bernstein, Licio Pennisi and a few scattered appearances by Frankie Williams.

Softball season has just gotten under way and a first place or second place position would put us in good standing for the Intramural Trophy. This could be the year that Lambda Chi takes the trophy—with a strong finish it may happen.

50 Golden Years

The Brothers of Lambda Chi Alpha would like to thank all of those who contributed to "50 Golden Years", especially those who gave \$50 or more.

Though we had some difficulty in getting the mailing underway to acknowledge your gifts, all of you who contributed \$50.00 should have received a specially designed ceramic flask as a memento. If you have not yet received your flask, please contact Larry Leff.

The program will continue so please if you would like to contribute, send your check payable to "50 Golden Years." We will be glad to accept any gift for less than \$50.00 but we will be unable to acknowledge it with the ceramic flask.

Below are listed the names of those brothers, alumni and honoraries who have contributed \$50.00 or more. We thank them very much.

And a special thanks to Mrs. Roseanne Lynch and to Truesdale, Lynch and Assoc. Inc., for their generous contributions.

Do You Remember When?

Ah ha, I bet you thought that you were going to read some "Good Stuff" here, like short anecdotes, dirty stories, fond memories, engagements, weddings, etc. Well, I guess by now you and I both figured out that there isn't any in this issue so send in some "Good Stuff" and fill up this empty space for the next issue.
